Re: Public records request
Burlington Hill – air pollution control and sampling

Dear Sir or Madam.

Approximately two weeks ago I submitted a request for information under the Washington State Public Records Act, codified at RCW Chapter 42.56. To my knowledge, I have not received any written response. I would ask that you contact me without delay to inform me of the status of this request, preferably in writing.

Thank you for your assistance. I look forward to your reply.

Sincerely,

Thomas E. Seguire
